UNIFORM LOGOS, MARKINGS & SPONSORS

At every level of the National Presidents Cup competitions, a player or team official at a game site to participate in a game or associated activity of the competitions may only have on the outerwear of the player or team official a name, logo, or other identifying mark of a youth soccer organization that is US Youth Soccer, a State Association or other member of US Youth Soccer, a member of a State Association, or an organization that is a member of an organization that is a member of a State Association. **A name, logo, or other identifying mark of any other youth soccer organization must be removed, replaced, or covered before the player or team official may continue to remain at the game site for the game or associated activity.**

If a player or team official chooses to not remove a name, logo, or other identifying mark of any other youth soccer organization, it must be completely covered by another patch. At the event, USYS can supply semi-permanent patches to cover non-compliant markings or logos. The cost is \$75.00 per team (for 44 patches) or \$3.00 per patch, payable in cash. **Covering non-complaint marks with tape is not permitted.**

A player or team official is not prohibited from having a mark or name on clothing being worn at a match, provided that it is related to an item or service that is appropriate for youth. Any inappropriate mark or name must be removed, replaced, or covered before the player or team official may continue to participate in the match. Examples of inappropriate marks or names would be tobacco products, alcoholic beverages, etc. If there is any question about a logo, marking or sponsor, it is **strongly** suggested that you inquire well in advance of the start of the event to avoid an issue at the field.

Please note that these policies will be strictly enforced for participants at all levels of the US Youth Soccer National Presidents Cup competitions.

UNIFORM PATCHES

As teams advance through the US Youth Soccer National Presidents Cup competitions, they may be presented with State Champion uniform patches. The State Champion patches are optional and **are not required** for the Regional Presidents Cup competition. Before a team affixes any of these patches to their uniforms, be aware that teams that advance to the National Presidents Cup competition **must wear the National Presidents Cup patch** they will be provided, as outlined below. Although teams may utilize any other patches they were presented if they choose, it is recommended that teams leave sufficient space for the National Presidents Cup patch.

Important: **All team member uniforms must have each patch permanently affixed in the same location.**

Patches may be placed:

- On the right or left sleeve of the jersey, approximately 1" above the bottom edge of the sleeve with the patch facing outwards. For long sleeve jerseys, (for example a Goalkeeper jersey) place the patch in approximately the same spot as if it were a short sleeve jersey.
- On the right or left leg of the shorts, approximately 1" above the bottom edge of the hem with the patch facing forward.

These options are provided in order to avoid conflict with sponsor logos, player numbers, etc. However, as outlined above, **all uniforms must have each patch permanently affixed in the same location.**

REFEREES

Just as teams earned the right to compete at the Far West Region Presidents Cup, the referees have also earned their place, based on recommendations and accomplishments from within their home state. At this competition, referees compete to earn the honor of officiating at the National Presidents Cup based on their performance. The referees are supported by senior referees and mentors who contribute to their development by guiding them in post-match reflections. Please refrain from criticizing the officials throughout the competition.

SPECTATORS

Parents and/or spectators who can reasonably be considered to be affiliated with a team are considered a part of that team, and the actions of those individuals are the responsibility of the credentialed team officials appearing on the roster.

No spectators are permitted anywhere behind the goal line during a match. The spectator area is located on the opposite side of the field from the technical/bench area. Spectators must remain in the half of the field directly across from their team's bench, subject to the following exception.

It is expected that respect for the game and players will prevail if a limited number of spectators wish to *quietly* observe the match at the far end of the opposing spectator section (for example, the Goalkeeper's parents). In the event of disruptive behavior by these spectators, a referee or tournament official may require them to return to their designated area and restrict any further sideline movement of spectators.

Technical instruction from any part of the spectator area, provocative or unsportsmanlike behavior by any spectator may result in 1) their removal from the complex or 2) clearing the sideline and removing all spectators from the match, either from one or both teams. Any spectators asked to leave by law enforcement, security, referee or any other event official must immediately depart the field area and remain out of sight and sound of the match until the teams have departed the field of play and are no longer the responsibility of the referee. Any individuals removed may not return to the field at the end of the match.

Whistles, air horns, megaphones, artificial noisemakers and/or similar devices are prohibited at all National Presidents Cup competitions. Air horns are for use solely by tournament officials to signal when fields must be cleared due to inclement or dangerous weather conditions.
